

Temporary Bug Fix for SCICOSLAB 4.4BETA7

If you want to use COSELICA with SCICOSLAB 4.4BETA7 then you have to:

1. Copy SCI/macros/scicos/create_modelica.sci to SCIHOME
2. Remove line 247 in SCIHOME/create_modelica.sci
3. Open/create file SCIHOME/scilab.ini and insert/append two lines:

```
mprintf("TEMPORARY BUG FIX!\n");  
getf(SCIHOME+'/create_modelica.sci');
```

4. save SCIHOME/scilab.ini
5. (Re-)start SCICOSLAB4.4BETA7
